## NOTICE

22/11/2024

It has been observed that M.Com 1<sup>st</sup> Semester students are not turning up for their classes and the authority has taken the issue very seriously. In view of this they are instructed to attend the classes regularly. It is to be kept in mind that attendance is a part of internal assessment. It may further be noted that not attending the classes will cause problems as it will result in deficiency in learning and internal assessment process. All the absentees are further directed to come with a written explanation to justify their absence.
